# Editing

## Text

Add, delete or rotate text. Format via text styles, fonts, coloring, and much more.

## Pictures

Insert, resize, rotate and arrange images. You can also insert them from the web.

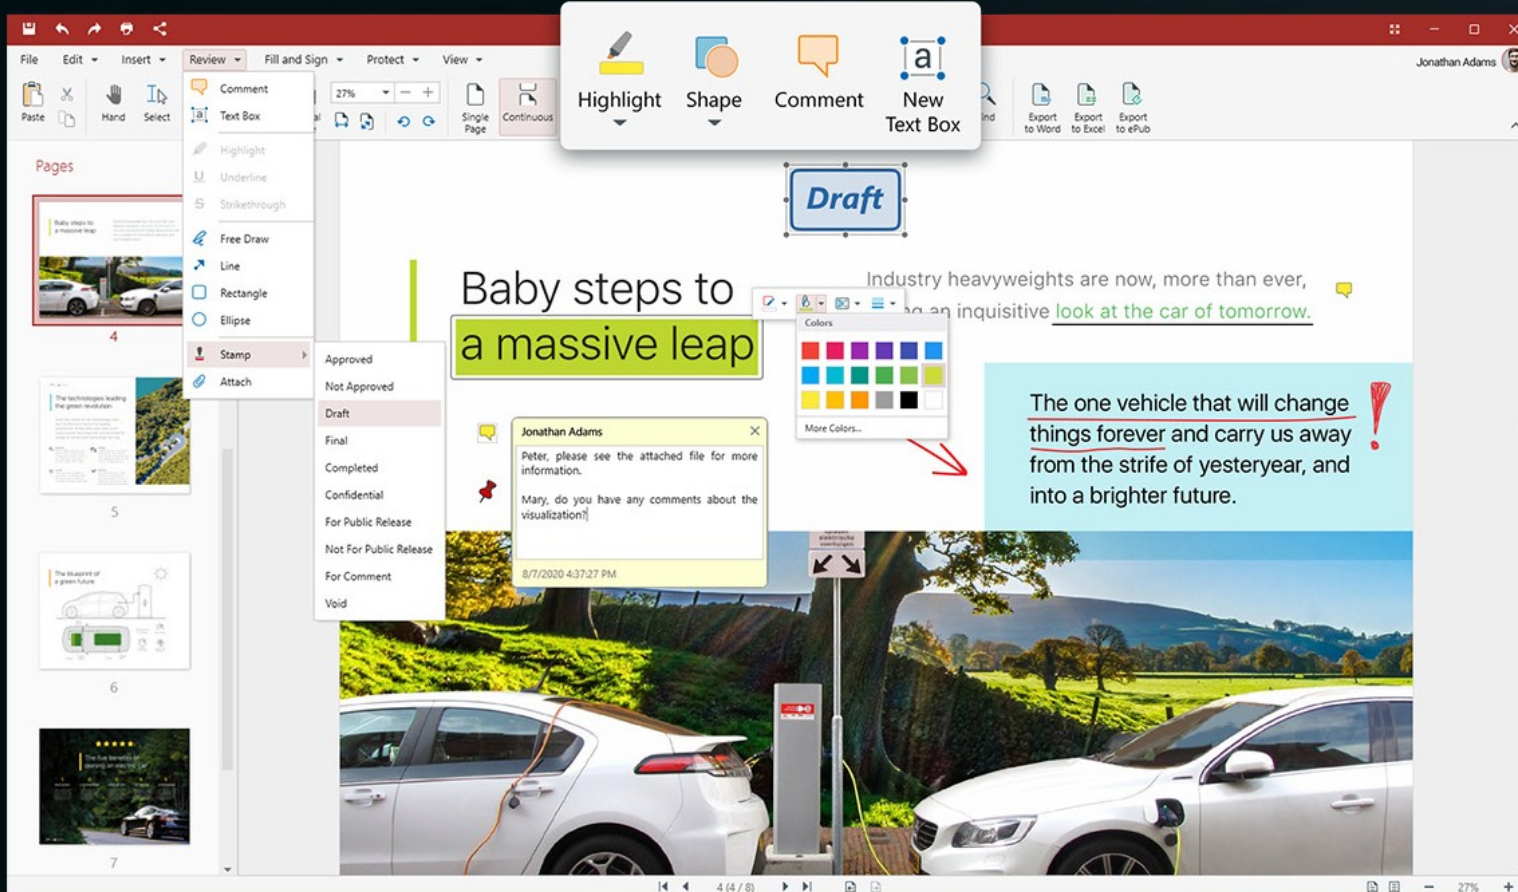

## Elements

Organize your PDF's shapes, drawings and any other elements for maximum clarity.

# Annotate

## Comments

Fast and easy way of leaving important information in key areas. You can also insert Text boxes.

## Markup

Underline, highlight or strikethrough text. Create snapshots of other PDFs with a single click and attach them into your own PDF.

## Files

Attach entire files to your PDF and have everything you need in one place.

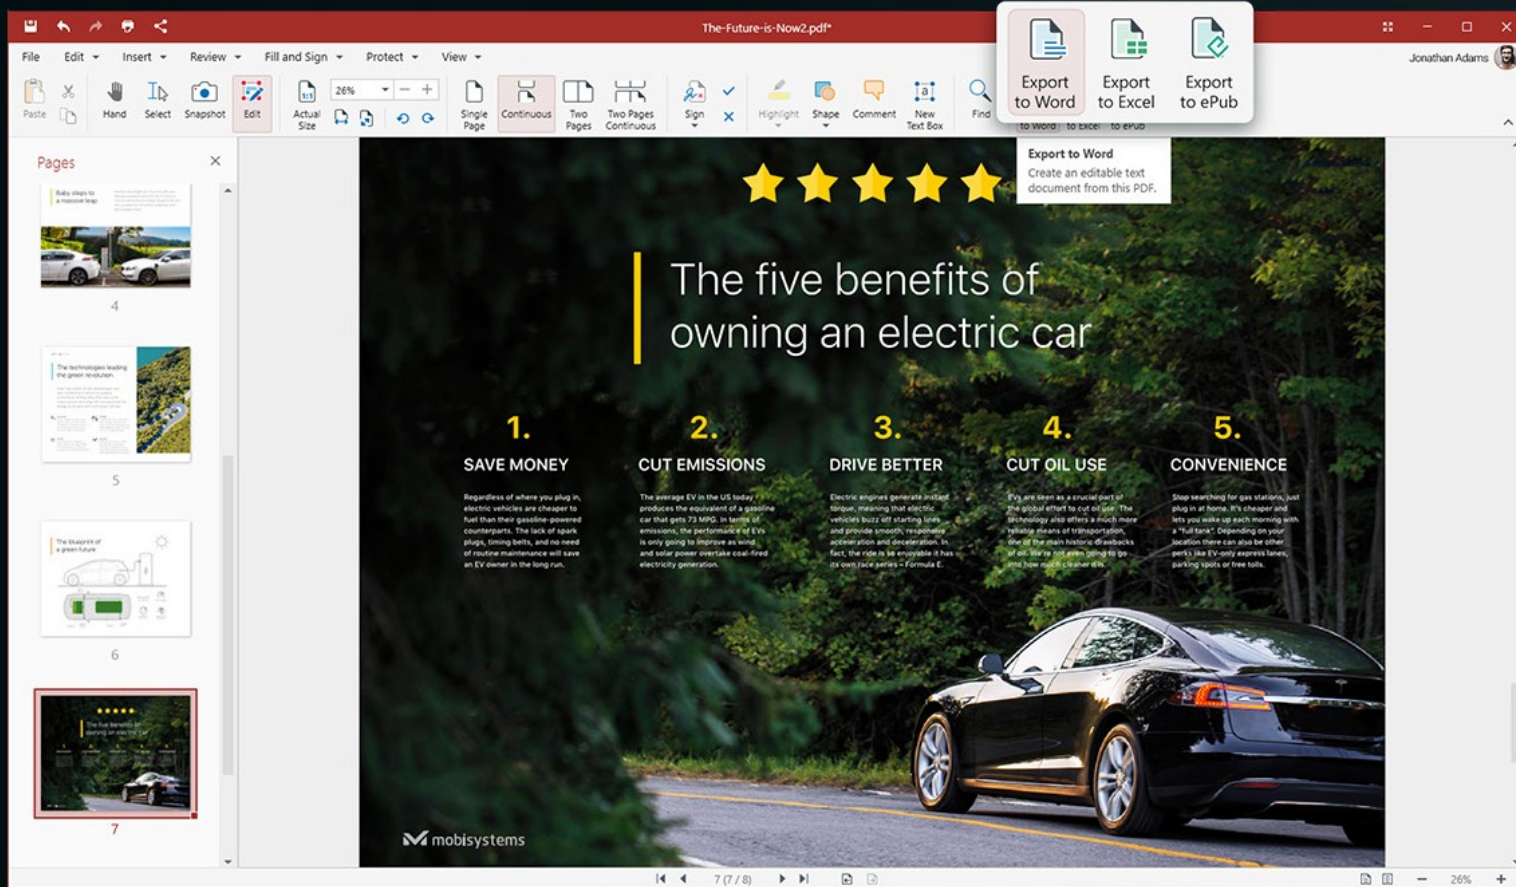

## Draw

Pick your preferred color, line width and opacity to draw or alter inserted shapes.

# Convert

## Word

Turn your PDFs into easily editable Word documents.

## Excel

Update a PDF's data and calculations by converting to an editable Excel format.

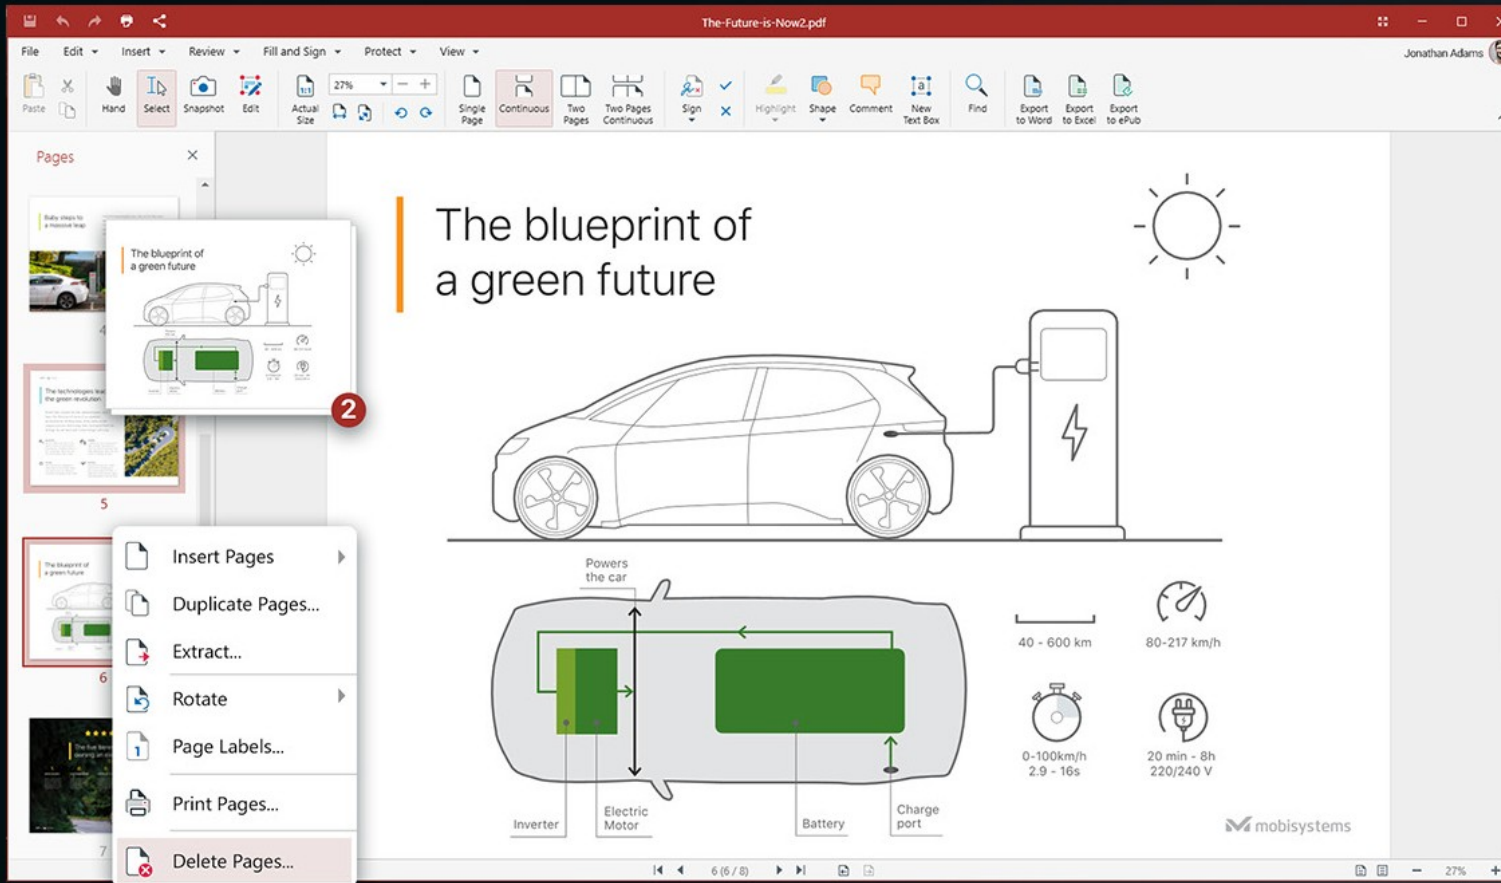

## ePub

Convert PDF to ePub and enjoy your favorite eBooks.

# Organize

## Pages

Change any aspect of a PDF's structure. Add, delete, reorder or extract pages with ease.

## Combine

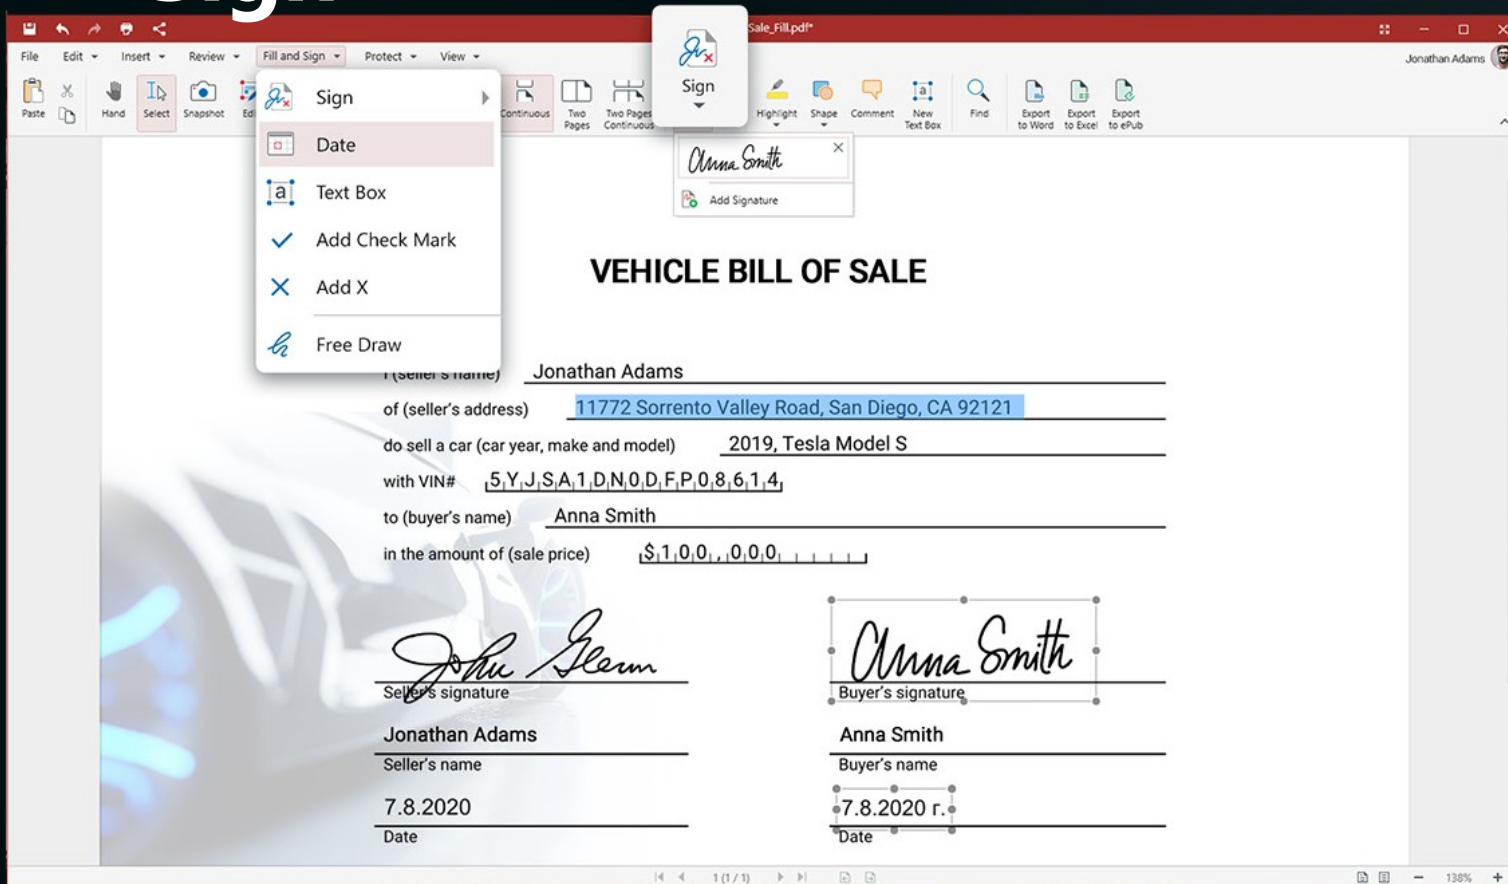

Merge several PDFs into one. It's especially practical for event tickets, reservations or boarding passes.

## Labels

Make navigation easier by placing labels to key parts of your PDF.

# Fill & Sign

## Signatures

Digitally sign PDFs by typing, handwriting or attaching an image.

## Fillable Forms

Filling in contracts, forms and other fillable PDFs is quick and effortless.

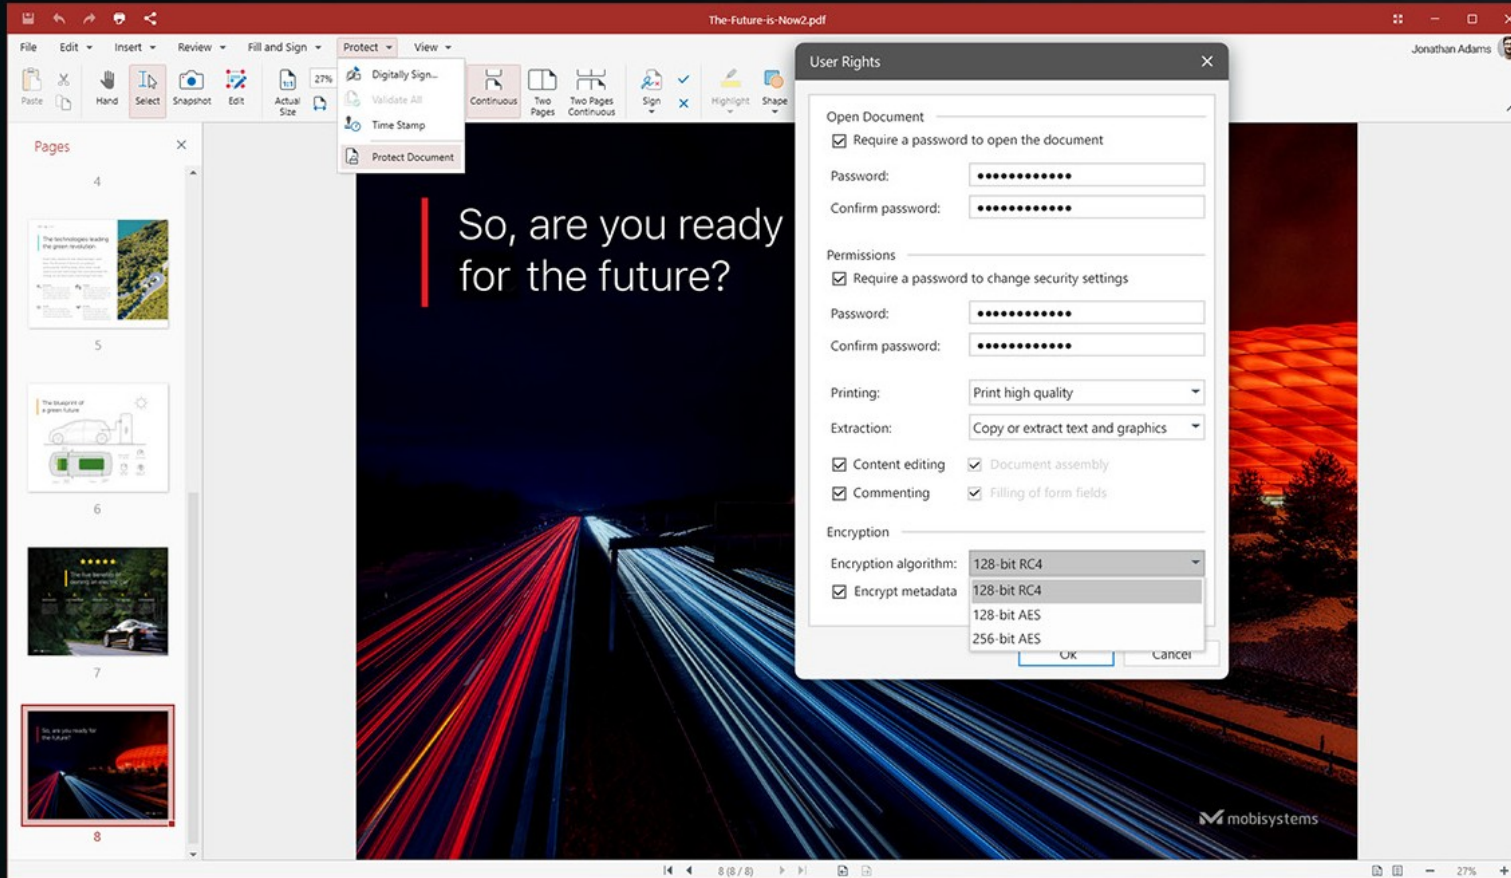

## Stamps

Place a stamp (Approved, Draft, Final, Void & others) to signify a PDF document's status.

# Protect

## Password

Set a password to control who has access to important PDFs.

## Digital Certificates

Increase the level of trust by authenticating your PDFs.

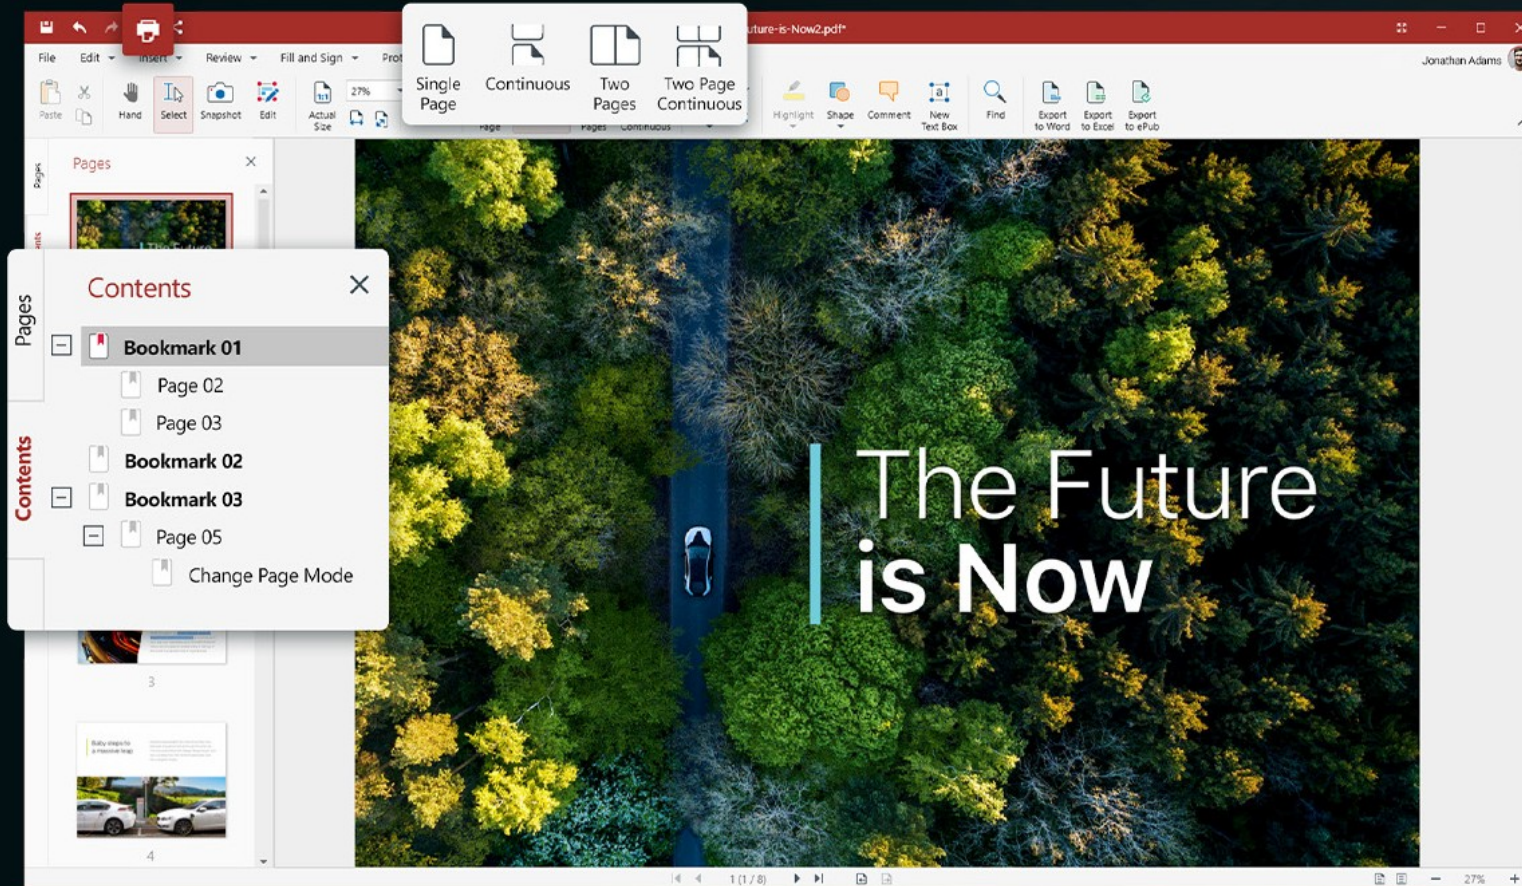

## Timestamps

Authenticate precisely when an action was taken by inserting a Timestamp.

# Read

## Page Modes

Switch between Single, Continuous or Two-Page mode to make PDF work easier.

## Bookmarks

Continue where you left off by placing a bookmark to track your progress.

## Print

Select pages, orientation, page mode, collation, sizing & number of copies.
